President’s Report

We are now in the middle of a HOT summer. However, we will soon feel the HEAT of political rhetoric as candidates outline their “To Do” lists to the voters.

This is a very important election for us as retired teachers. Those elected will determine the changes, good or bad, that will be made to our retirement system and our insurance plans.

We must do our best to help ourselves and our fellow retired teachers. How can we do this?

Executive Director’s Report

I would like to take this opportunity to introduce myself as the new Executive Director for LRTA. I have spent more than thirty years in Louisiana’s educational system, ranging from a classroom teacher to a local superintendent. Additionally, I served many years as an Assistant Superintendent in the Louisiana Department of Education.

I believe my extensive experience with the state and federal governments will allow me to effectively represent you on important matters of retirement legislation. Our priority this fall will be to communicate to political candidates the importance of retaining our defined benefit structure, the retention of TRSL as an independent retirement system, support for PBIs/COLAs, and paying down the UAL to ensure financial stability for our retirement system. The LRTA Executive Board has provided us with a clear vision on how to achieve our mission to improve the quality of life for our retirees.

- Be sure that you are registered to vote
- Determine the candidates who will support issues that affect Louisiana retirees positively
- Vote, and encourage family and friends to vote

District and unit officers need your help and support as they work to help our association meet the challenges facing all retirees.

Help our Email Club continue to grow – encourage all to join!

Make plans to attend the LRTA Fall Meeting in Lake Charles, and help us welcome LRTA’s new Executive Director Rodney Watson to his first state meeting as a member of the LRTA staff.

Be Safe – Encourage and Help Others – Stay Cool!

I look forward to visiting with each of our eleven districts and have scheduled dates to meet with you during September and October. I have already met with several of our local units and have been very impressed and honored by your welcoming spirit and delightful hospitality.

Please be reminded that our Fall Meeting will be held in Lake Charles at the Lauberge Resort on October 26 – 28. Details and registration information are included in this newsletter. We thank District VI President Clara Duhon and her planning committee for hosting our Fall Meeting this year.

Finally, I would like to thank the LRTA Executive Board for their support of me as your new Executive Director. As a state retiree, I have a vested interest in maintaining the integrity of the Teachers’ Retirement System. I look forward to meeting many of you at the local unit, district, and state meetings.

Warmest Personal Regards,
Rodney R. Watson
